on Saturday 23 March at 2.30pm
at St John's Flinders
as we commence our next Australian tour

Our first program for 2024 **Legacy** features Mozart's String Quartet in A major, known as the Dissonance Quartet, so called for its daring harmonies, soaring melodies and sense of humour. Ethel Smyth's C minor quartet is inspired by her intensive study of Beethoven's chamber music and Gordon Kerry's String Quartet No 6 draws inspiration from ancient plainchant. All three composers leave a legacy through their groundbreaking creativity.

Elizabeth Sellers, Wilma Smith – violin
Helen Ireland – viola Zoe Knighton – cello
